TV TIMES

An Illusions Club Paper
Edmonton & Calgary

A NEW PAPER IS FORMED!!!

Edmonton, the situated capital of Alberta, Calgary, the sister city of Edmonton. What happens when there is one support group bulletin, and it's in Calgary, well, it's time to make Edmonton the sister city to Calgary and create a bulletin and support group the same as Calgary's.

Introducing TV TIMES, the support group bulletin for Calgary and Edmonton's ILLUSIONS clubs.

This paper will be available to all TS/TV's in Calgary, Edmonton, and the wherever anyone is interested in receiving it. It is our sole service to ILLUSIONS to try to help TV's and TS's out with hints, where to go, entertainment, what ever our readers are interested in. We would appreciate that our readers help us out here, for we need some help to know what everyone would be interested in. We will include a Classified section in our bulletin to advertise products, boutiques, malls, stores, people, representatives for products such as make-up, including professional make-overs for the TV/TS.

Also, we would like to include a column called DEAR SAMANTHA, which will be accepting any contributions to advise or ones who need advice. So don't be shy, it's totally confidential whereas your name won't be published if desired.

Also, we wish to keep this bulletin from becoming a RAG!!!. We wish this paper to be respectable and we would like to set up a section for announcements to notify our readers of the next meeting of our support groups.

It should be known that we are a non-profit organization. We do accept donations to keep this bulletin in operation, but we would wish to get correspondence from our readers to advertise any wares, suggestions, or any of the sort which would prove beneficial to our other readers.

An introduction is in order to include the editors of TV TIMES -ILLUSIONS.

Editors -

Marsha (34 year old TV. She got out of the closet only since April of 1990.

Krystal (24 year old TS. Which is I. I've been a transsexual for six years now.

Again, welcome to TV TIMES, and we both hope to see lots of correspondence from our readers.

Please keep in mind that this is a support group bulletin, and no trash of any sort will be released for publication in this bulletin.

Enjoy TV TIMES, and remember, the best thing in life is YOU! Join us and show us who YOU really are, being a TS or a TV, or someone who is interested in finding a TS or a TV for companionship, we're the answer.
